

STUDY AT IIT KANPUR

OFFICE OF INTERNATIONAL RELATIONS

ABOUT US

Indian Institute of Technology Kanpur (IITK) is a premier institution set up in 1959 by the Government of India. Since its inception, IIT Kanpur has consistently been ranked among the top 5 engineering institutes in India. With its record of path-breaking innovations and cutting-edge research, the Institute is known across the world as a learning centre of repute in engineering, science, humanities and management disciplines and more recently in the discipline of medicine.

ACADEMIC DEPARTMENTS

- Aerospace Engineering
- Biological Sciences & Bioengineering
- Chemical Engineering
- Civil Engineering
- Computer Science & Engineering
- Design
- Electrical Engineering
- Management Sciences
- Material Sciences & Engineering
- Mechanical Engineering
- Sustainable Energy Engineering
- Chemistry
- Cognitive Sciences
- Earth Sciences
- Mathematics & Statistics
- Physics
- Space, Planetary & Astronomical Sciences & Engineering
- Humanities & Social Science
- Economic Sciences

Inter-disciplinary Programs

- Materials Science Program
- Nuclear Engineering & Technology
- Photonics Science & Engineering Program

Medical School

- Gangwal School of Medical Sciences & Technology

OPPORTUNITIES FOR STUDENTS

IIT Kanpur offers international students various study options. Students can enroll for degree programs (Ph.D. and Masters) or non-degree options (semester exchange and research internships).

PROGRAMS FOR FINANCIAL AID

- Indian Council for Cultural Relations (ICCR) Scholarships
- African-Asian Rural Development Organization (AARDO) Scholarship
- Study in India (SII)
- Doctoral Fellowship in India for ASEAN (DIA)
- All admitted students of IIT Kanpur will receive an Institute Fellowship if they are not receiving any other form of fellowship
- International MoU

FEE STRUCTURE

For self-sponsored students, the tuition fee is USD 500 (Ph.D.), USD 750 (M.Tech.) and USD 2500 (MBA). Students from SAARC countries pay a reduced fee.

HOW TO APPLY

Students can apply online directly at IIT Kanpur's website and/or through the admissions portal of the programs for financial aid (ICCR, AARDO, DIA, SII). Visit www.iitk.ac.in/oir for more details or email oir@iitk.ac.in

APPLICATION TIMELINE

Admissions for Semester I (August-December) are open from March to April
Admissions for Semester II (January-April) are open from October to November

IITK CAMPUS

IIT Kanpur's fully residential campus is spread over an area of 1100 acres that includes small forested areas, several sports fields, gardens, and an airstrip apart from the academic and residential facilities.

The campus is a self-sustained gated community with restaurants, salons, banks, a health center, and two shopping complexes offering everything of daily use.

Whether you are interested in outdoor activities such as birdwatching, wall climbing, and football, or activities such as music, art, and reading, you will find a like-minded community in one of the many hobby clubs on campus.

ACCOMMODATION

IIT Kanpur offers 13 Halls of Residence for students equipped with a TV room, a reading room, mess, canteen and sports facilities such as badminton and basketball courts. The Institute also offers AC rooms for students in the Visitor's Hostel-2 (VH-2) on a single or sharing basis.

HEALTH CARE

IITK is well served by a conveniently located Health Centre and a 24-hr pharmacy. The doctors and staff of the Health Centre are committed to the health and well-being of the campus community.

Student life at IIT Kanpur is an eclectic mix of academic and extra-curricular pursuits. It encompasses a wide range of activities related to science and technology, films and media, art and culture, games, and social welfare. IIT Kanpur offers students state-of-the-art facilities for sports such as squash, badminton, swimming, table tennis, lawn tennis, and more. There are also many student-led hobby clubs such as Aeromodelling Club, Robotics Club, Astronomy Club and Adventure Club.

WHAT STUDENTS SAY

The ambient environment for studies. the labs were very well equipped and colleagues were always ready to assist in case of difficulties.

Ouma Emily, Kenya
(Research Intern)

Joining IIT Kanpur has proven to be the best decision and the most significant event in my academic journey. IIT Kanpur provided academic excellence and fostered a welcoming environment that significantly enhanced my overall experience making life abroad much easier for me.

Milaa Z Murshan, Syria
(Ph.D. student)

I had a great time at IITK. The campus is large and provides every facility you need; you rarely need to go out. When I think about IITK, I remember the beautiful environment with great humans. I made myself here.

Arman Ovla, Iran
(Ph.D. student)
