2. Candidates seeking admission are hereby advised to regularly visit the website's admission page for foreign students (FS) for updates and to take note of any modification of the admission processes described in the present brochure.
3. Any change in the procedures for in-person appearance of applicants for admission activities as well as for verification of documents shall be notified in due course.
4. Please carefully read this brochure before applying.

II. General Information

AUD invites applications to its programmes of study from citizens of countries other than India. AUD has a FS supernumerary admission quota (over and above the sum of seats of regular admission categories for Indian applicants) for its undergraduate (UG) and postgraduate programmes (PG).

A. The Foreign Student (FS) Admission Quota

1. The FS quota in UG and PG programmes is a percentage of the total of regular (non-supernumerary) Indian/domestic study seats. The FS UG and PG seats available in 2026-2027 in the various programmes are shown in Tables 1 and 2 in this brochure.
2. FS applicants must register and apply at the Study in India (SII) portal of the Government of India.
[<https://www.studyinindia.gov.in/>]
3. Alongwith the SII registration and application, it is mandatory to also apply through the AUD FS admissions portal and pay the designated application fee there.
[<https://aud.delhi.gov.in/admission/Foreign-Student/2026>].
4. Admission of FS is for full-time study in an approved programme with intention of completing an AUD degree.
5. **FS admission is considered to be ‘in absentia’, whether or not the FS applicant is in India at the time of application.**

6. No applicant under the FS category may be considered for admission under another category or quota, and no applicant under any domestic admission category (regular or supernumerary) is eligible for FS admission.

7. The FS admission process differs from domestic student admission and has a different set of steps and procedures in place governed by the Government's and AUD policies.

8. **Minimum eligibility requirements** (including qualifying degrees and percentage/CGPA, etc.) for FS applicants are the same as (or equivalent to) those for Indian applicants of the general/unreserved admission category. The minimum eligibility requirements for each programme are mentioned in the general Admission Brochure available on the UG and PG admissions pages of the website. **National entrance tests (like CUET) for determining merit of domestic applicants do not apply to FS applicants.** However, some **additional criteria** (such as an entrance interview, statement of purpose, letters of recommendation, etc.) may be mandatory for FS. These criteria are specified in this brochure under Programme-Specific Application Instructions.

9. Foreign applicants will not be exempted from any of these above stated requirements on account of their remote location. These requirements will be completed virtually without the applicant needing to be present in-person in India.

10. **Self-financing FS applicants** are those who do not receive financial assistance as part of an official government/cultural/educational exchange programme recognized by the Indian government. Self-financing FS applicants pay the AUD application/FS processing fees and the tuition fees indicated in Table 3 in this brochure.

11. **Financed/sponsored FS applicants** are those who apply for admission to AUD as per the norms of the Indian Council for Cultural Relations (Cultural Exchange Fellowship programme), EdCIL or another government-to-government scholarship programme. Their tuition payments to AUD are set by terms of their scholarship, as recognized by the university.

12. FS applicants should carefully **read the general Admission Brochure of the University** available on the UG and PG admissions pages of the website describing the minimum eligibility requirements, and other details about the programme they seek admission to and then follow the Programme-Specific Application Instructions given in this brochure for FS admission.

13. Important web-links have been provided at the end of this brochure.

2. **Valid passport:** The passport should be valid for at least six months at the time of submitting the application.
3. A **recent photograph** showing the full face of the applicant.
4. Scans/e-files of **all official transcripts/degrees/certificates** mentioned in your application. Must include the qualifying degree (see definition in section C above) and prior degrees going back to secondary school.
5. **Letter(s) authenticating education certificates** (in 4 above) by any one of the following: (a) an officer of the relevant educational institution; (b) an officer of the country's education ministry; (c) the cultural/education officer of the country's embassy in India. The Association of Indian Universities (AIU) will validate documents of foreign applicants for a fee (see www.aiu.ac.in) and AIU certificates may be submitted in place of institutional authentication letters. (Authentication letters are NOT required for Indian or SAARC-country education certificates).

6. **Valid certificate of TOEFL/Academic IELTS/ELPC**, showing test score, for applicants whose qualifying degrees are not from an English-medium institution/board. The reported test score must have been obtained within the preceding two years. This is not required if the school/ HE institution (or the relevant academic programme of the school/HE institution) issuing transcripts per (4) and (5) above is an 'English medium' institution (See clarification in Section F below).
7. **Proof of financial support** for the minimum normal registration period of the intended AUD study programme. This proof would normally be one or more balance statements of bank accounts in the name of the applicant or her/his parent or legal guardian. The statements must be not older than three months from the time of application. If such proof cannot be provided at point of application, a provisionally admitted student will be required to provide evidence of financial viability once s/he is in Delhi (See Section G below).

12. If an applicant is in regular employment and availing leave for the duration of their study in India, s/he should submit a '**No objection certificate**' (NOC) from the employer.
13. **Letter of scholarship** award from Indian or other government agency.

F. Language Proficiency for Foreign Students

- AUD offers a multi-language learning environment. Many AUD study programmes expect learners to be proficient or to become proficient in more than one language, including English. Admission of foreign students to AUD presumes their proficiency in academic English.
- No special proof of proficiency is required if (a) an FS applicant's most recent (or qualifying) educational degree was awarded by a recognized 'English-medium' institution, or (b) English was the official 'medium of instruction' of the programme they graduated from.

- If neither (a) nor (b) is true, a FS applicant needs to provide evidence of academic proficiency in English in the form of a performance report/certificate of a standard examination of academic English, preferably TOEFL or IELTS (Academic only, not General Training version). The reported test score must have been obtained within the preceding two years. In these cases, except BVoc, MVoc, and Hindi language and literature, an applicant's minimum IELTS score must be 6.5, or the TOEFL score must be in the 79–93 range (out of 120) or above.
- Applicants to BVoc, MVoc, and Hindi language and literature programmes need not submit TOEFL or IELTS scores as described above but may require an applicant to demonstrate knowledge of English for BVoc and MVoc programmes. Admission to Hindi programmes requires demonstration of proficiency in Hindi, as decided by programme faculty.

G. Admission Process

- All FS applying to the various programmes at Dr. B. R. Ambedkar University Delhi must register on the Study in India (SII) portal, Government of India. (<https://studyinindia.gov.in/how-to-apply-to-study-in-india-?activeTabIndex=0>). It is mandatory to also apply through the AUD admissions portal (<https://aud.delhi.gov.in/admission/Foreign-Student/2026>).
- FS applicants with complete and valid online applications will be contacted in due course about subsequent application steps. Those selected for admission are offered provisional admission upon verification of the documents provided during the admission process.
- A provisionally admitted FS candidate will be issued documents by AUD to enable them to obtain a student visa (or, for Ph.D. scholars, research visa). No provisionally admitted foreign student will be registered at AUD without a valid visa (Student or Research) unless they are in possession of such a document as OCI card that conveys the right to stay in the country and register in an Indian educational institution. (For information about visa requirements, please visit <https://indianvisaonline.gov.in/visa/index.html>).

- FS candidates should await the official AUD admission 'offer letter' (with provisional registration number and other information) before applying for visas.
- **Additional requirements** for registration:
 1. proof of suitable medical insurance, with 'evacuation' clause, for the FS as well as any dependent family members who stay with the FS in India;
 2. banking details showing ownership or co-ownership of a bank account in India with funds sufficient to cover at least the first year of AUD tuition and living expenses in Delhi; and

- The annual tuition fee (see Table 3) is paid at the time of admission and thereafter at the beginning of the academic session each year. The payment must be in Indian Rupees (INR) and through electronic bank transfer. Please check the exchange rate on date of payment on <https://www.rbi.org.in> and pay the equivalent amount accordingly.

- **International Affairs Division (IAD)** of AUD is the administrative unit directly concerned with admission of foreign students. Once admitted, foreign students are assisted and advised by programme staff of their School and by the AUD Student Services. IAD assists FS with matters such as general orientation towards the University, registration at the Foreigners Regional Registration Office, and other admissions related advice.
- AUD does not currently have a foreign students hostel.

III. Programme-Specific Application Instructions

Before proceeding to the online application form/portal, the applicants must read the programme specific instructions. The application portal allows you to submit information and documents in stages ('save and return' option) before freezing and completing your application. Some programmes require you to email documents in addition to those you submit through the online application portal. Documents such as research proposals and statements of purpose will be checked with anti-plagiarism software. Plagiarized or falsified documents will result in rejection of an application.

Contact information is provided for each study programme in case you have questions about the application steps. Once you have completed the online application form (both Study in India and University's form) you will be contacted with further instructions, but you should also regularly check the AUD website for admission information/updates.
